

## DERT ORTAĞIM BENİM

Söz: Ülkü AKER

Müzik: Norayr DEMİRCİ

Usûlü: Sofyan

♩ = 98

Aşk kadehiyle içtiğim sensin  
Sevgili diye seçtiğim sensin  
Bütün dünyayı gezdim dolaştım  
Anladım ki tek sevdiğim sensin

Nakarat

Dert ortağım benim biricik sevgilim  
Söyle senden başka kimim var benim

Senden uzakta geçmez günlerim  
Bir gün görmesem seni özlerim  
Başka birini sevemem artık  
Gelmesen bile seni beklerim.
